# Become a Member of Legacy Land Trust

Legacy Land Trust is a community-sponsored land preservation organization working with willing landowners to permanently protect land in the greater Houston region. We preserve river and bayou corridors, other properties with significant wildlife habitat value and places where family recreation can occur in harmony with nature. Our "No Child Left Inside" education program connects tomorrow's conservation leaders with nature today.

I want to invest in my future and my area's quality of life by helping save the remaining habitat of the Houston region

Attached is my tax-deductible contribution to Legacy Land Trust.

Our area lands are important for the animals and plant life that depend on them for their very existence. But these lands are important for people, too, providing scenic beauty and a landscape that can give you a place to hike, walk, bird watch or just rediscover the sense of freedom and possibility that only nature can provide.

We have the opportunity and the responsibility to protect the scenic and natural resources within our Houston region, the place where we retreat from our bustling urban lives. We cannot and must not allow our extraordinary remaining natural areas to become ordinary.

## Membership Benefits:

- Knowledge your funds are being spent to protect local open space
- Newsletter

At or above \$60 level:

- Invitations to special events including owner-approved tours of private properties, with naturalist guides
- Periodic e-mail updates (not daily or weekly!)
